

One day,
the evil wizard Jafar appeared in front of Aladdin.
He said if Aladdin could bring him
the magic lamp in the cave, he would make Aladdin rich.
The wish-granting magic lamp
can only be possessed by the person with a pure heart.

Merchant "Welcome to Agrabah Market!"

Jafar "Hey, Aladdin! Do me a favor and I'll make you rich."

Aladdin "OK, I will handle it!"

Inside the cave there were a lot of jewels
and also rugs flying in the air.

Suddenly, the cave collapsed.

Aladdin "Wow, look at these jewels!"

Jafar "Aladdin! Get the lamp and come on out!"

Aladdin inadvertently rubbed the lamp.

Genie "I'm Genie, the lamp fairy. Please tell me your wish."

Aladdin asked Genie to get him out of the cave

and make him marry Princess.

Aladdin "Get me out of this cave right now!"

Aladdin "Princess! I will definitely marry you!"

Aladdin got married to Princess.

Genie also built a beautiful palace for him.

Then one day, Jafar showed up again.

Jafar "Uh... I'm upset... I need to get the lamp back!"

Aladdin "Please look at this wonderful palace!"

Jafar "I'll replace your old lamp with a new one!"

Princess did as Jafar said.

Jafar "I have no time. Go get the lamp!"

Princess "Here it is!"

Jafar rubbed the lamp and called Genie out.

Jafar "Move Aladdin's Palace and Princess
to the Ice Land!"

Genie had no choice but to follow him.

Jafar "Genie, the lamp fairy, I am your real master!"

Genie "Yes... Master..."

As the palace and Princess disappeared,

Aladdin got on the rug and flew to Jafar.

After confirming that Jafar was in a full sleep,

Aladdin regained the lamp.

Aladdin rubbed the lamp and called Genie out again.

Aladdin "It's now! Jafar fell asleep!"

Princess "Hurry back before Jafar wakes up!"

Aladdin "Please give me back the palace and Princess."

Genie lifted the entire palace

and moved it to the original place.

In the regained palace, Aladdin lived happily ever after.

Aladdin & Princess "Thank you, Genie!"

Genie "It's my pleasure."
