

There lived a girl in the village

who always wore a red riding hood.

So people called her "Red Riding Hood" instead of her name.

One day, her mother asked her to run an errand.

She was going to bring a cake to her ill grandma.

Mother "Red Riding Hood, take care of yourself
on the way to Grandma's house."

Red Riding Hood "OK, see you!"

Red Riding Hood met the wolf in the forest.

The hungry wolf approached her while slaving.

Wolf "Kid, where are you going?"

Red Riding Hood "I'm going to my grandma's house
to bring her a cake."

The wolf whispered to Red Riding Hood.

Wolf "If you pick all the flowers for your grandma,
she will be happy."

Wolf "That kid must be really tasty."

Red Riding Hood "Wow, what beautiful flowers!"

Red Riding Hood "If I bring one to Grandma,
she must like it very much."

Wolf "That's really a good idea!"

Meanwhile, the wolf hurriedly went to Grandma's house

and pretended to be Red Riding Hood.

As soon as Grandma opened the door,

the wolf swallowed her.

Grandma "Wo... wolf...!"

Wolf "Enjoy myself!"

When Red Riding Hood arrived at Grandma's house,
this time the wolf pretended to be Grandma.

Red Riding Hood "Grandma, it's me. Lovely flowers, right?"

Wolf "Thank you. Come closer and show me the flowers."

Wolf "I'll eat you up in one bite!"

Red Riding Hood "Oh! You're not my grandma!"

Then the wolf opened its wide mouth and
swallowed up Red Riding Hood, too.

The full wolf snored and fell asleep.

A hunter passing by saw the wolf.

He knew right away that the wolf had eaten

Red Riding Hood and Grandma.

The hunter carefully cut open the wolf's stomach
and saved them.

Hunter "The old woman and the kid must be
in that stomach."

They stuffed the wolf's stomach full of stones
and sewed it together.

Every time the waking wolf walked,
there would be the rattling sound.

In the end, the wolf's stomach hurt so much
that it fell down and died.

Grandma "Red Riding Hood,
you must have been scared, right?"

Red Riding Hood "I'm glad that Grandma is all right."

Hunter "Haha! Don't come here ever again!"

Wolf "Oh, my stomach!"
